Catholic Social Teaching: Pope Leo is encouraging us all to consider the Church's systematic approach to living out our role as a Holy People in a world of increased technological complexity. **Please join us on Thursday, November 12 from 5:30 PM to 7PM** as we venture into a more focused reading of Pope Leo's encyclical Magnifica Humanitas. We will continue to discuss Chapter 4 and maybe start Ch. 5 of the encyclical. See Summary of the encyclical on our website bulletin: Summary Magnifica Humanitas EN.pdf - Google Drive 1 1

Here is another **exciting excerpt** from ***Magnificent Humanity***:
The subtler forms of addiction linked to the "digital attention economy" should not be underestimated, since platforms and servers are often designed to capture users' time and attention, exploiting their vulnerabilities and weakening their inner freedom. When business models thrive on human weakness, the person is treated as a means rather than as an end; those who design or finance such systems bear a moral responsibility that cannot be ignored. There is an urgent need to promote technologies that strengthen interior freedom by fostering education in digital sobriety and the protection of minors, thus countering models that exploit vulnerability." Paragraph 179

St. Christopher Endowment: Did you know that St. Christopher's Parish has an endowment with the Utah Catholic Foundation? It was started with a donation from the parish in 2020 with an initial corpus of $5000 and is intended for general parish use. The fund has now $63,032 with interest and additional donations as of 9-30-26. The fund is set up as 'Permanent Restricted' which means the corpus stays in the fund, but the earnings are available to the parish annually as needed. If you would like to make a donation to our endowment for the long-term care of St. Christopher's, please contact Fr. Rick for further details.

Reporting Abuse: If you observe or have reason to believe that a child, young person or vulnerable adult has been subjected to abuse by a priest, deacon, employee or volunteer of the Diocese of Salt Lake City, you must report the alleged abuse to local law enforcement and state agencies, and you must notify the Diocesan Office of Safe Environment at safeenv@dioslc.org or call 801-328-8641 x344.

Homily Reflection Questions:

1 ***Wisdom 6:12 "Resplendent and unfading is wisdom, and she is readily perceived by those who love her, and found by those who seek her***." When have you most deliberately sought wisdom in your life? What were your specific circumstances at that point? Where did you seek? Who was your guide?

2 **Wisdom 6:*14 "(Wisdom) makes her own rounds, seeking those worthy of her, and graciously appears to them in the ways, and meets them with all solicitude***. When have you been surprised by Wisdom **seeking *you***?" What were the circumstances of your life? Who or what was the messenger bringing you this Wisdom?

3 ***1 Thessalonians 4:13 "We do not want you to be unaware, … about those who have fallen asleep, so that you may not grieve like the rest, who have no hope."*** When have you felt most compelled to share your belief in life after death? How did you explain it? How were you received?

4 **Mt. 25:10** "***While (the foolish virgins) went off to buy (oil for their lanterns), the bridegroom came and those who were ready went into the wedding feast with him. Then the door was locked."*** When did your lack of vigilance cause you to miss a real opportunity to encounter Christ in a most personal way? What caused you to let your guard down?
